MANTHAN 2019 CULTURAL EVENTS

FUN FOR FOUR

DESCRIPTION

- It is a team event constituting 4 members.
- The event is contested in a 3-round format.
- Round 1 is a preliminary round where 10 teams out of all participating teams will qualify to next round.
- Round 2 is a selection round to finals where top 5 teams will qualify to the final round.

Round 1: Minute to Win It!

- This round is divided into 2 segments 1st individual segment and 2nd team segment.
- It is a 'minute to win it' round where each team member is given a individual task to complete.
- After completion of each individual task the member will be given items to be used in the team segment.
- The whole team is gathered to complete a task using items obtained from previous segment.
- The top 10 teams with best completion time qualify to next round.

Round 2: Three minutes of intense fun!

- This round is a 3 min tasks.
- It consists of tag team tasks such as obstacle avoiding, blindfolded touch and feel task.
- All the tasks are performed as a team.
- The top 5 teams with best completion time qualify to the final round.

Round 3: Blindfold Gala!

- This is the most exciting and tough task which decides the winner of 'Fun For Four'.
- In this round two members of the team will be blind folded and remaining two members act as guides to complete the task.
- The guides are given with a scene or visual, based on the given visual guides guide performers to produce the visual.

- The area of setting up the visual is bounded and the performers should stay within the area at any cost which is the responsibility of the guides to ensure performers don't cross the boundary.
